## NWR BOARD AND MANAGEMENT MAP THE WAY FORWARD

We recently held our sixth (6th) Strategic Retreat at Gross Barmen. This was in line with previous retreats that we have held since March 2013. This retreat was brought together for the Board, Senior Management and Resort Managers to reflect on the status of the company and chart the way forward towards profitability and sustainability.

This particular retreat was very important in that it provided an opportunity for the newly appointed Board Members to meet with Management, especially the Resort Managers who are at the coalface of the NWR's operations, and hear directly their challenges and perspectives on the way forward.

The retreat also provided for an opportunity for Management, including the Resort Managers, to hear from the Board on the

strategic direction for the company and their own as well as the shareholder's expectations. That expectation is in the immediate term to break-even and in the medium term to be profitable.

Ambassador Leonard. N. Iipumbu, Chairperson of the Board of Directors in his address to Management, emphasized amongst others the importance of TEAMWORK as the necessary cornerstone for achieving the set strategic targets during his presentation. He further said, "In order for NWR to achieve its set objective given to it by the Ministry of Environment and Tourism, we need to follow the company's Policies and Procedures. As Management, you set the tone of the correct culture that the company should have. If for any reason this tone is not correct, those below you will do as they please making it difficult to operate effectively".

### A HAPPY FAMILY

Our Tour Planning Department has really taken off. We recently toured a family of five across the country to some of our resorts, whereby they got to see the best Namibia has to offer. The tour included the Mighty Etosha National Park as well as Sossusvlei, the jewel of Namibia.

Mr. Bariar Tujendapi was their professional guide who catered to all their needs. Ms. Esther Ndilula (MICE and Tour Planning Manager) had this to say about the tour, "It is exciting times at Namibia Wildlife Resorts, as we hit the ground running with our Tour planning portfolio".

### This is what the client had to say:

"Travelling with our 3 children to a new continent would not have been this successful had it not been for the good tour planning by NWR. I must especially refer to Ms. Ndilula's excellent cooperation and the substantial contribution of our Guide / Driver Mr. Tujendapi.

We will certainly highly recommend NWR to our friends in Belgium. We were really impressed with the warm hospitality of Namibia as well. Again, thank you so much for creating a memorable and wonderful experience for us.

On behalf of the Bulut Family,"
