### NWR RESORTS AWARDED FOR ECO-FRIENDLINESS

In what has been a very rewarding year for us, our Onkoshi, Dolomite and Popa Falls resorts each walked away with an Eco Award during the Hospitality Association of Namibia's (HAN) Gala dinner that was held recently at San Karros Dan Viljoen.

This was the first time that we took it upon ourselves to get assessed in order to see where we stand within the Eco friendly resort category. It must be highlighted that our participation in these awards reaffirmed our commitment of becoming more environmentally friendly at our establishments which is crucial as we operate in very sensitive areas. Even though this was a voluntary exercise, we took it upon ourselves to ensure that we meet the requirements of the independent evaluators.

Going forward, we are determined to have more of our resorts partake in order for current and future clients to know that by staying with us they are staying at Eco friendly establishments that put the

environment they operate in first.

Our Managing Director Mrs. Zelna Hengari, our Board Chairperson Ambassador Leonard Lipumbu and Minister of Environment and Tourism, Honourable Pohamba Shifeta.

### NWR RECEIVES TRUCKS FROM MET

Early November 2016 marked a momentous occasion in the relationship between the Ministry of Environment and Tourism (MET) and us. This was as a result of MET handing over three vacuum trucks in their efforts to assist us with the supply of portable water and servicing of the ablution facilities at Sossusvlei and the Fish River Canyon View Point.

About 11 months ago, we and MET jointly embarked on a project to improve the infrastructure at our southern resorts of /Ai- /Ais and Hobas, located in the // Karas region along with our Sesriem Camp site, which is in the Hardap region. This initiative involved erecting new as well as upgrading existing infrastructure.

Kunene Regional Governor Honourable Angelika Muharukua, Minister of Gender Equality and Child Welfare Honourable Doreen Sioka and our Managing Director Mrs. Zelna Hengari.

### NWR DONATES TO KUNENE

As the country rallies behind President Dr. Hage G. Geingob's call in alleviating poverty, we saw the need to do our part in assisting the President's war on poverty. On 10 November 2016 our Managing Director, Mrs. Zelna Hengari along with some of our team members, travelled to the town of Opuwo within the Kunene region in order to make a donation to the Governor, Honourable Angelika Muharukua.

At the same occasion, it was pleasant to note that the Ministry of Gender Equality and Child Welfare was also present and was delivering equipment to the community of Opuwo as part of their income generating activity initiative. This initiative aims to cultivate a culture of entrepreneurship among communities in order to create employment opportunities, as well as strengthen the earning capacity of community members.

It was during the handover ceremony of the food items, clothes, old linen and towels from some of our resorts that the Governor, Honourable Angelika Muharukua commended us for our efforts. She was overjoyed due to the fact that this was not the first time that we were making such a donation.
