NWR WINS BEST CORPORATE COMPANY AT OKAKARARA TRADE FAIR

We were recently awarded First Prize in the Best Corporate Company Category at the Okakarara Trade Fair.

NWR KHORIXAS CAMP DAMAGED BY FIRE

Our Khorixas Camp recently experienced some fire damage on 25 September 2016 after all our guests had safely finished their dinner and had left for bedtime.

The fire, unfortunately damaged the restaurant, dining hall and the Manager's office, however we were fortunate that it was brought under control by the fire brigade who reacted promptly.

Our Chief Financial Officer and then Acting Managing Director, Mr. Matthias Ngwangwama along with some of the Managers rushed to the scene in order to assess the damage. He was pleased to report that none of our guests were harmed during the fire.

He also stated that we would be analyzing the extent of the damage in order to determine the cost however our guests that intend to book there can be rest assured that we have made provisions for their meals during this period as we pave the way ahead.

NWR GETS UNIFORMS

Over the past few months we have been working towards providing standardized uniform to all our staff members. Though we are not entirely done with all our resorts, here is how some of our employees look in the new outfits.

HOBAS EXPANSIONS GOING WELL

Since the middle of the year, we have been working tirelessly to complete 6 guest rooms and a restaurant at our Hobas Camp. We envision to have them completed before the end of the year. We are doing this in anticipation of the next hiking season so that our hikers have a wider choice of accommodation facilities.
